Season ticket declaration

In making this application I agree to the following terms and understandings in the event of Stafford Borough Council [SBC] issuing a season ticket to me:

1. This season ticket is valid only on SBC long stay car parks and that there are no designated spaces.
2. I have no guarantee of the availability of a car parking space on any given visit.
3. This season ticket is not valid on any short stay car parks.
4. You must keep to the conditions of the current SBC off-street parking order [which is available for inspection at the Civic Centre].
5. You must attach the permit to the inside of the front windscreen, in a prominent position.
6. Any vehicle not adhering to the car park regulations and terms and conditions of use of the season ticket will be liable to a penalty charge notice.
7. Season tickets are not interchangeable between vehicles unless you have nominated two registration numbers.
8. If you wish to cancel your season ticket before its expiry date refunds will only be made on remaining complete months. Lost tickets will be not replaced.
9. The Council may, in its absolute discretion, revoke a season ticket if conditions of use are not complied with.

I agree to abide by the above terms and conditions

Car parking information:

 The majority of the car parks and the town centre are covered by C.C.T.V. The car parks are also patrolled on a regular basis to endeavour to provide a safe and secure environment for the customer.

Further information:
