SPORTS DEVELOPMENT TEAM

The Sports Development team at Stafford Borough Council aim to provide sporting opportunities and pathways for young people to participate and progress in their chosen sport. This is done through:

- • Coaching in schools
- • Community coaching courses
- • Holiday sports courses
- • Information on accessing local sports clubs
- • Organising annual sporting competitions and festivals

The team also act as a point of contact for anyone wanting support or advice on a variety of areas such as club development, funding applications and coach development.

WELCOME TO THE STAFFORD BOROUGH SPORTS DIRECTORY

Finding the right sports club can often be difficult, it is hard to know where to look, who to ask and where to go. For these reasons Stafford Borough Council have put together a Sports Directory to help you find your perfect sports club.

As you will see as you read through, there are a wide variety of sports clubs listed in the Stafford borough area providing numerous opportunities for all. Please contact the Sports Development team if you would like more detailed information on any of the clubs listed in the directory or if you would like to be included in the next edition.

If you are disabled and wish to join a sports club then our advice would be to contact the club directly to ensure that they can cater for your individual needs. The club themselves will be able to advise if they have the coaches and facilities to help you with your chosen sport.

Please note: The inclusion of any sports club in this directory is not a recommendation or endorsement by Stafford Borough Council.

Key

Alongside some of the sports clubs listed in the directory you may see the following symbols:

- ★ Club is governing body accredited.
The sports club has achieved a nationally recognised award and is committed to providing a high quality experience.
- J Club has a junior section.
The sports club provides opportunities for young people.
- S Club has a senior section.
The sports club provides opportunities for adults.
