

# WELCOME!

**On behalf of all the staff at  
Stafford Bereavement Services,  
we would like to welcome you to our Open Day.**

This Open Day is an excellent opportunity for you to take a look at the services we provide and, if you wish, to learn a little about how the crematorium works and the day to day running of the site. You will also have a chance to join a guided tour of the crematorium, surrounding buildings, the cemetery and grounds.

Associated companies will be demonstrating their work throughout the day. You will be able to watch the delicate art of the calligrapher and the traditional craftsmanship of the stone mason among others.

The crematorium is, of course, often visited by those who have been recently bereaved or who are visiting the grave of a loved one. The staff at Stafford Crematorium are committed to providing efficient service with dignity, respect and reverence at all times.

Should you require any further information about the crematorium or the cemeteries, please do not hesitate to talk to any of the staff on hand throughout the day.

Thank you for taking part in the Open Day.
