

Community nomination in respect of

The Crown Inn, Hyde Lea, Stafford ST189BG

Notice under section 91 of the Localism Act 2011

1 Nomination

On 5th April 2025 the Council received a nomination under section 89 of the Localism Act 2011 ('the Act') to list the **Crown Inn, Hyde Lea, Stafford ST18 9BG** as an asset of community value. The nomination was made by **Hyde Lea Parish Council**. A copy of the nomination is attached at **Appendix 1** and a plan showing the boundaries of the nominated land is attached at **Appendix 2**.

2 Law and Statutory Guidance

Under section 87 of the Act the Council must maintain a list of land of community value in its area. A building or other land is of community value if in the Council's opinion an actual current use of the building or other land that is not ancillary use, furthers the social wellbeing or social interests of the local community, and it is realistic to think that there can continue to be non-ancillary use of the building or other land, which will further (whether or not in the same way) the social wellbeing or social interests of the local community.

Under section 89 the Council can only include land in its list of assets of community value in response to a community nomination or where permitted by regulations. A community nomination in England can only be made by either a parish council in respect of land within its area or by a person that is a voluntary or community body with a local connection. Where a valid community nomination is made the Council must consider it and must accept the nomination if the land is within its area and is of community value

3 Decision and Reasons

The Council **accepts** the nomination by **Hyde Lea Parish Council** to include the **Crown Inn** in its list of assets of community value.

The reasons for this decision are as follows:

1. The Crown Inn, Hyde Lea lies within the Borough of Stafford. An aerial photograph of the land appears to show it as a building with an ancillary

garden and an adjoining car parking area. Signage at the road junction advertises an “entrance to car park and beer garden”.

2. Hydel Lea Parish Council is a body eligible to make the application under section 89 of the Act.
3. The land does not appear to fall within a description of land which may not be included in the list as specified in Schedule 1 of the Regulations.
4. In order for a listing to be successful, a nomination must show that the land is of community value. This can be achieved by showing evidence of an actual, non-ancillary, use of the land that furthers the social wellbeing or social interests of the local community, currently, or that furthered such interests in the recent past.
5. It should be noted that the legislation did not automatically designate public houses as assets of community value, and the use of any nominated pub by each relevant local community needs to be assessed individually. For example, some pubs may operate solely as commercial dining venues, operating no community events, and with social drinking an ancillary activity. Similarly some pubs may have no connection with any particular local community (such as some city centre drinking venues).
6. In this case, the nomination states that *“the public house is the focal point of the community not just Hydle Lea by Coppenhall and Ashflats. It provides an amenity for residents to meet with friends and with avoiding social isolation. With an ageing population and no other such amenity within the local area it helps to promote social wellbeing and sense of community”*.
7. Council records show that this property was previously listed in February 2014 and March 2020. Listings expire after 5 years and the most recent listing expired on 11th March 2025.
8. There is a Facebook page for the business and there appear to be regular postings about events at the property since October 2023. As well as serving food and drink, recent posts refer to the premises hosting live music and holding events such as “cheese nights” and “quiz nights”.
9. The property appears to be open to the public at the time of the nomination, and I am satisfied that there has been a community use as a pub used by the local community.
10. I have no evidence before me to suggest that its current use, or another community use, could not continue.

11. For the reasons set out above, the nomination of this land is successful, and both the Public House and its adjoining beer garden and car park will be listed on the register of community assets.

4 Next Steps

The Crown Inn, Hydel Lea will be included in the list of assets of community value maintained by the Council under section 87 of the Act.

In accordance with section 91 of the Act the Council will send this notice to:-

- (a) the owner of the land
- (b) the occupier of the land if the occupier is not the owner
- (c) Hyde Lea Parish Council as the nominee body

5 Consequences of Listing

The land will remain on the list of assets of community value for a period of 5 years from the date of this notice unless removed with effect from some earlier time in accordance with the provision of the Regulations.

Inclusion of the land in the list of community assets is a local land charge under the Local Land Charges Act 1975.

The Council is required under Schedule 4 of the Regulations to apply to the Land Registry for a restriction to be added to the registered title of the land that "No transfer or lease is to be registered without a certificate signed by a conveyancer that the transfer or lease did not contravene section 95(1) of the Localism Act 2011".

Under section 95 of the Act an owner must notify the Council by writing to the Head of Law and Governance, Stafford Borough Council, Civic Centre, Riverside, Stafford ST16 3AQ if they wish to enter into a relevant disposal of the land. Relevant disposal is defined in section 96 and (subject to exemptions in section 95(5) and Schedule 3 of the Regulations) means, a freehold disposal or the grant or assignment of a qualifying leasehold interest, with vacant possession.

A moratorium period is triggered by notification under section 95 to allow any community interest group to submit a written request to be treated as a potential bidder for the land. Owners are advised to refer to the Part 5 Chapter 3 of the Act and the Regulations in full and to seek legal advice if they wish to dispose of the land. A disposal of listed land which contravenes the requirements of Act and Regulations will be ineffective.

6 Right of Review

In accordance with section 92 of the Act the owner of the land is entitled to request a review of this decision. The review will be carried out by a senior officer of the Council nominated by the Chief Executive. A request must be

made in writing and received by the Council within 56 days of the date of this notice or such longer period as the Council may agree in writing. Please ensure that the request explains on what grounds the decision should be reviewed.

If a request is made the Council will complete the review within 56 days of receiving the request or such longer period as is agreed with the owner in writing. A request must be addressed to the Chief Executive, Stafford Borough Council, Civic Centre, Riverside, Stafford ST16 3AQ.

7 Right to Compensation

In accordance with paragraph 14 of the Regulations an owner or former owner of the land is entitled to claim compensation from the Council of such amount as the Council may determine, where they have incurred loss or expense in relation to the land which would be likely not to have been incurred if the land had not been listed.

A claim for compensation must be made in writing within 91 days of the loss or expense being incurred (or as the case may be) finish being incurred; must state the amount of compensation sought for each part of the claim and be accompanied by supporting evidence for each part of the claim.

If a claim is made the Council will consider the claim as expeditiously as possible. A request must be addressed to the Head of Law and Governance, Stafford Borough Council, Civic Centre, Riverside, Stafford ST16 3AQ.
