Dear sir,

## **RE: Polling District and Polling Place Review 2023**

Following the parish council meeting that took place on Thursday 12<sup>th</sup> October 2023, the parish council would like to submit recommendations for another polling station be considered for Doxey Village.

Currently, there is normally only one polling station, it is thought that it would be much better for the residents to have one at either end of the village. Giving better access to all electors.

A possible site could be the newly re-opened Universal Club, if they were in agreement.

Yours faithfully,

---
