Agenda Item 2(a)**Application for a Full Variation to a Premises License: Morrisons Daily, 4-12 Farmdown Road, Baswich, Stafford, ST17 0AP**

Committee:	Licensing Sub Committee
Date of Meeting:	21 March 2025
Report of:	Licensing Manager
Contact Officer:	Julie Wallace
Telephone Number:	01785 619605
Ward Interest:	Baswich

Purpose of Report

To consider an Application for a Variation to the Premises Licence previously a Co-op Store, now Morrisons Daily at 4-12 Farmdown Road, Baswich, Stafford ST17 0AP.

1 Detail

- 1.1 On 5 February 2025 the Council received an application for a full Variation of a Premises Licence now known as Morrison's Daily situated at 4-12 Farmdown Road, Baswich, Stafford, which was previously a Co-op convenience store.
- 1.2 The Premise Licence transfer, from the Co-op, took place on 3 February 2025, The Designated Premises Supervisor (DPS) transfer took place on 4 February 2025.
- 1.3 The application was submitted via an agent, Tina Vlahovic, from Winckworth Sherwood LLP. The proposed premises licence holder is Samy (County) Limited, Arbor, 255 Blackfriars Road, London, SE1 9AX. The proposed Designated Premises Supervisor (DPS) is Saravanakumar Selvakumar who resides at [REDACTED], Middlesbrough, [REDACTED]. It is unclear as to how the DPS can undertake the responsibilities, of a DPS, of the day-to-day management of this Morrisons Daily whilst living in Middlesbrough.

- 1.4 The variation is for the following: To extend the sale of alcohol to between the hours of 00:00 and 24:00 daily for consumption off the premises, therefore open 24 hours a day.

To allow the provision of late-night refreshment between the hours of 23:00 and 05:00 daily. This point requires some clarification as the application is stating the provision of late-night refreshments is going to take place both indoors and outdoors but there is no provision to eat indoors in this convenience store.

To remove the current conditions of the licence listed in Annex 2.

To include in Annex 2 the conditions in boxes B - E of Section 16 of the application.

- 1.5 Seven relevant representations have been received during the consultation period from local residents and two ward Councillors, who are concerned as to the potential impact of noise from this store being open 24 hours a day, both vehicular and from those who are purchasing the alcohol stating that there is nowhere for purchasers to consume their alcoholic purchases, so are likely to wander round the area drinking and creating unnecessary noise or rowdy behaviour causing a public nuisance. Their concerns include not only noise but anti-social behaviour from the extensive opening hours and sale of alcohol. The objections relate to two of the licensing objectives, the Prevention of Public Nuisance and the Prevention of Crime and Disorder.
- 1.6 There have been no objections from any of the Responsible Authorities although conditions have been agreed with Environmental Health and the premises concerning waste which is not to be placed in outside areas between 22:00 and 07:00 on the following day. No collections of waste or recycling materials (including bottles) from the premises shall take place between 22:00 and 07:00 on the following day. No deliveries to the premises shall take place between 22:00 and 07:00 on the following day.
- 1.7 The documents relating to the application, including the application for the variation of the premises licence and representations are attached as **APPENDICES**.

2 Human Rights Act 1998 Implications

- 2.1 Article 6 of the Act provides that where a person's civil rights and obligations are being determined, the person is entitled to a "fair trial". The Council complies with Article 6 in that it gives the person the opportunity to state their case, will make a decision within a reasonable period of time and will give reasons for its decision.
- 2.2 The Article also provides for the issue to be determined by an independent tribunal. The right of appeal to the Magistrates' Court against the Council's decision fulfils this.
- 2.3 The Council observes the rules of natural justice, and its procedures are consistent with Article 6 of the Human Rights Act 1998.

3 Recommendation

That the Licensing Sub Committee considers the application for the variation to this premises licence and considers whether to grant the variation as applied for, or whether to add or amend conditions as deemed appropriate taking into account the representations before you.

Dear Eversheds Sutherland

Licensing Act 2003 - Variation of a Premises Licence

FOR: CENTRAL ENGLAND CO-OPERATIVE LIMITED

OF: 4-12 FARMDOWN ROAD, BASWICH, STAFFORD, STAFFORDSHIRE, ST17 0AP

Thank you for your application to vary the premises licence for the above named premises. I have pleasure in enclosing a copy of the premises licence along with the summary, which reflects the Designated Premises Supervisor Transfer changes. The summary should be properly displayed at the premises. The premises licence does not have an expiry date and therefore does not have to be renewed at any future date.

The Act provides for any person who may apply for a premises licence, which includes a business, to apply for the transfer of a premises licence to him/her or it. Notice of the application has to be given to the Chief Officer of Police. When an applicant is an individual he or she must be 18 years old or over. A transfer of a premises licence will often arise when a business involving licence activities is sold to a new owner. A transfer of a licence only changes the identity of the holder of the licence and does not alter the licence in any other way.

Where a designated premises supervisor is to be newly specified, the normal course is for the premises licence holder - perhaps a supermarket chain or a pub operating company - to apply to the Licensing Authority (including an application for immediate effect) accompanied by a form of consent by the individual concerned to show that he/she consents to taking on this responsible role. The Police must also be notified of the application. The whole premises licence does not have to be submitted for amendment as the Act provides that a part of the licence may be submitted with the application. Ideally, this will require submission of a schedule to the main licence giving personal details of key individuals. The licence will be duly amended by this Authority and returned following receipt.

Continued

The legislation requires the holder of a premises licence to submit an annual fee determined by the current regulations. This amount will be collected annually on the anniversary of the issue date of the licence which is **24 November 2005**.

Please check the details on the licence carefully. The licensing authority is prepared to correct clerical errors for up to 28 days after the licence has been issued. Beyond that time, any change must be made as an application for a new licence or as a variation.

Should you need any further clarification with regard to the licence please contact any member of my Licensing Team who will be more than pleased to supply you with the necessary information.

Yours faithfully

Mandatory Conditions

Mandatory conditions where licence authorises supply of alcohol (Premises Licence Only)

1.(1) The 2003 Act provides that, where a premises licence authorises the supply of alcohol, it must include a condition that no supply of alcohol may be made at a time when no designated premises supervisor has been specified in the licence or at a time when the designated premises supervisor does not hold a personal licence or the personal licence has been suspended

(2)The 2003 Act does not require a designated premises supervisor or any other personal licence holder to be present on the premises at all times when alcohol is sold. However, the designated premises supervisor and the premises licence holder remain responsible for the premises at all times including compliance with the terms of the 2003 Act and conditions attached to the premises licence to promote the licensing objectives.

(3)The responsible person must ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.

(4) An irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises in a manner which carries a significant risk of leading or contributing to crime and disorder, prejudice to public safety, public nuisance, or harm to children–

Drinking games

Irresponsible promotions can include activities, whether drinking games or not, which may require or encourage individuals to drink a quantity of alcohol within a time limit, or drink as much alcohol as possible within a time limit or otherwise. For example, this may include organised 'drink downing' competitions. This would not prevent the responsible person from requiring all drinks to be consumed or abandoned at, or before, the closing time of the premises. Nor does it necessarily prohibit 'happy hours' as long as these are not designed to encourage individuals to drink excessively or rapidly.

Large quantities of alcohol for free or a fixed price

Irresponsible promotions can include the provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted price, where there is a significant risk that such a promotion would undermine one or more of the licensing objectives. This includes alcohol provided to the public or to a group defined by a particular characteristic, for example, a promotion which offers women free drinks before a certain time or "all you can drink for £10".

Promotions can be designed with a particular group in mind (for example, over 65s). A common sense approach is encouraged, which may include specifying the quantity of alcohol included in it or not targeting a group which could become more vulnerable or present a greater risk of crime and disorder as a result of excessive alcohol consumption.

Prizes and rewards

The sale, supply or provision of free or discounted alcohol or any other item as a prize to encourage or reward the purchase and consumption of alcohol can be within the definition of an irresponsible promotion, where there is a significant risk that such a promotion would undermine one or more of the licensing objectives. This may include promotions under which free or discounted alcohol is offered as a part of the sale of alcohol, for example, "Buy one and get two free" and "Buy one cocktail and get a second cocktail for 25p". This includes promotions which involve the provision of free or discounted alcohol within the same 24 hour period.

Posters and flyers

Irresponsible promotions can also include the sale or supply of alcohol in association with promotional materials on display in or around the premises, which can either be reasonably considered to condone, encourage or glamorise anti-social behaviour or refer to the effects of drunkenness in any favourable manner.

Dispensing alcohol directly into the mouth

The responsible person must ensure that no alcohol is dispensed directly into the mouth of a customer. For example, this may include drinking games such as the 'dentist's chair' where a drink is poured continuously into the mouth of another individual and may also prevent a premises from allowing another body to promote its products by employing someone to dispense alcohol directly into customers' mouths. An exception to this condition would be when an individual is unable to drink without assistance due to a disability.

Free potable water

The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available on the premises. What is meant by reasonably available is a question of fact; for example, it would not be reasonable to expect free tap water to be available in premises for which the water supply had temporarily been lost because of a broken mains water supply. However, it may be reasonable to expect bottled water to be provided in such circumstances.

Age verification

The premises licence holder or club premises certificate holder must ensure that an age verification policy applies to the premises in relation to the sale or supply of alcohol. This must as a minimum require individuals who appear to the responsible person to be under the age of 18 years of age to produce on request, before being served alcohol, identification bearing their photograph, date of birth, and either a holographic mark or ultraviolet feature.

The premises licence holder or club premises certificate holder must ensure that staff in particular, staff who are involved in the supply of alcohol) are made aware of the existence and content of the age verification policy which applies by the premises.

The designated premises supervisor (where there is one) must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy. This means that the DPS has personal responsibility for ensuring that staff are not only aware of, but are also applying, the age verification policy.

It is acceptable, and indeed encouraged, for premises to have an age verification policy which requires individuals who appear to the responsible person to be under an age greater than 18 to produce such identification on request. For example, if premises have a policy that requires any individual that appears to be under the age of 25 to produce identification that meets the criteria listed above, this is perfectly acceptable under the mandatory code.

Smaller measures

The responsible person shall ensure that the following drinks, if sold or supplied on the premises, are available in the following measures:

- Beer or cider: ½ pint
- Gin, rum, vodka or whisky: 25ml or 35ml
- Still wine in a glass: 125ml

As well as making the drinks available in the above measures, the responsible person must also make customers aware of the availability of these measures by displaying them on printed materials available to customers on the premises. This can include making their availability clear on menus and price lists, and ensuring that these are displayed in a prominent and conspicuous place in the relevant premises (for example, at the bar). Moreover, staff must make customers aware of the availability of small measures when customers do not request that they be sold alcohol in a particular measure.

This condition does not apply if the drinks in question are sold or supplied having been made up in advance ready for sale or supply in a securely closed container. For example, if beer is only available in pre-sealed bottles the requirement to make it available in 1/2 pints does not apply. The premises licence holder or club premises certificate holder must ensure that staff are made aware of the application of this condition.

Ban on sales of alcohol below the permitted price

The relevant person (the holder of the premises licence, the designated premises supervisor (if any) in respect of such a licence, the personal licence holder who makes or authorises a supply of alcohol under such a licence, or any member or officer of a club present on the premises in a capacity which enables the member or officer to prevent the supply in question) shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.

The permitted price is defined as the aggregate of the duty chargeable in relation to the alcohol on the date of its sale or supply and the amount of that duty multiplied by a percentage which represents the rate of VAT chargeable in relation to the alcohol on the date of its sale or supply. Detailed guidance on how to make this calculation and a calculator to determine permitted prices for each product are available on the Home Office website.

Where there is a change to the rate of duty or VAT applying to alcohol (for instance, following a Budget), the relevant person should ensure that the permitted price reflects the new rates within fourteen days of the introduction of the new rate. It is still permitted to sell alcohol using promotions (as long as they are compatible with any other licensing condition that may be in force), and the relevant person should ensure that the price of the alcohol is not less than the permitted price. Detailed guidance on the use of promotions is given in the guidance document available on the Home Office website.

Mandatory conditions where licence authorises supply of alcohol (Premises Licence Only)

1.(1) The 2003 Act provides that, where a premises licence authorises the supply of alcohol, it must include a condition that no supply of alcohol may be made at a time when no designated premises supervisor has been specified in the licence or at a time when the designated premises supervisor does not hold a personal licence or the personal licence has been suspended

However, the designated premises supervisor and the premises licence holder remain responsible for the premises at all times including compliance with the terms of the 2003 Act and conditions attached to the premises licence to promote the licensing objectives.

This includes promotions which involve the provision of free or discounted alcohol within the same 24 hour period.

Posters and flyers

Irresponsible promotions can also include the sale or supply of alcohol in association with promotional materials on display in or around the premises, which can either be reasonably considered to condone, encourage or glamorise anti-social behaviour or refer to the effects of drunkenness in any favourable manner.

Dispensing alcohol directly into the mouth

The responsible person must ensure that no alcohol is dispensed directly into the mouth of a customer. For example, this may include drinking games such as the 'dentist's chair' where a drink is poured continuously into the mouth of another individual and may also prevent a premises from allowing another body to promote its products by employing someone to dispense alcohol directly into customers' mouths. An exception to this condition would be when an individual is unable to drink without assistance due to a disability.

Free potable water

The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available on the premises. What is meant by reasonably available is a question of fact; for example, it would not be reasonable to expect free tap water to be available in premises for which the water supply had temporarily been lost because of a broken mains water supply. However, it may be reasonable to expect bottled water to be provided in such circumstances

Age verification

The premises licence holder or club premises certificate holder must ensure that an age verification policy applies to the premises in relation to the sale or supply of alcohol. This must as a minimum require individuals who appear to the responsible person to be under the age of 18 years of age to produce on request, before being served alcohol, identification bearing their photograph, date of birth, and either a holographic mark or ultraviolet feature.

The premises licence holder or club premises certificate holder must ensure that staff in particular, staff who are involved in the supply of alcohol) are made aware of the existence and content of the age verification policy which applies by the premises.

The designated premises supervisor (where there is one) must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy. This means that the DPS has personal responsibility for ensuring that staff are not only aware of, but are also applying, the age verification policy.

It is acceptable, and indeed encouraged, for premises to have an age verification policy which requires individuals who appear to the responsible person to be under an age greater than 18 to produce such identification on request. For example, if premises have a policy that requires any individual that appears to be under the age of 25 to produce identification that meets the criteria listed above, this is perfectly acceptable under the mandatory code.

Smaller measures

The responsible person shall ensure that the following drinks, if sold or supplied on the premises, are available in the following measures:

- Beer or cider: ½ pint
- Gin, rum, vodka or whisky: 25ml or 35ml
- Still wine in a glass: 125ml

As well as making the drinks available in the above measures, the responsible person must also make customers aware of the availability of these measures by displaying them on printed materials available to customers on the premises. This can include making their availability clear on menus and price lists, and ensuring that these are displayed in a prominent and conspicuous place in the relevant premises (for example, at the bar). Moreover, staff must make customers aware of the availability of small measures when customers do not request that they be sold alcohol in a particular measure.

This condition does not apply if the drinks in question are sold or supplied having been made up in advance ready for sale or supply in a securely closed container. For example, if beer is only available in pre-sealed bottles the requirement to make it available in 1/2 pints does not apply. The premises licence holder or club premises certificate holder must ensure that staff are made aware of the application of this condition.

Ban on sales of alcohol below the permitted price

The relevant person (the holder of the premises licence, the designated premises supervisor (if any) in respect of such a licence, the personal licence holder who makes or authorises a supply of alcohol under such a licence, or any member or officer of a club present on the premises in a capacity which enables the member or officer to prevent the supply in question) shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.

The permitted price is defined as the aggregate of the duty chargeable in relation to the alcohol on the date of its sale or supply and the amount of that duty multiplied by a percentage which represents the rate of VAT chargeable in relation to the alcohol on the date of its sale or supply. Detailed guidance on how to make this calculation and a calculator to determine permitted prices for each product are available on the Home Office website.

Where there is a change to the rate of duty or VAT applying to alcohol (for instance, following a Budget), the relevant person should ensure that the permitted price reflects the new rates within fourteen days of the introduction of the new rate. It is still permitted to sell alcohol using promotions (as long as they are compatible with any other licensing condition that may be in force), and the relevant person should ensure that the price of the alcohol is not less than the permitted price. Detailed guidance on the use of promotions is given in the guidance document available on the Home Office website.

Subject: RE: Application for the sale of Alcohol 24/7 Morrisons Franchise Baswich Lane

To Whom it my concern

Anti – social- behaviour

This area Farndown road is quite residential area within Baswich the shop is surround by many elderly residents living close by. The church next door to the premises has an arch way that has been used in the past for anti-social behaviour if permission is granted for this licence it could escalate into more problems taking place. This applies to the Licensing object of prevention of crime and disorder.

Public safety and Preventing Children from Harm

Domestic violence being able to buy alcohol 24/7 could escalate to domestic violence within the home. This could put children at harm alcohol is one of the main factors of domestic abuse. Consideration must be given to this issue especially with this being a densely populated area.

Public nuisance

Selling of alcohol 24/7 will cause a disturbance to people living near by cars arriving slamming of car doors. There are flats directly above the shop we must think of people living close by their mental health and wellbeing.

Let us not forget it will encourage people to loiter outside the premises causing a disturbance not to mention the litter that will be left.

If food is aloud to be consumed on the premises, then how will the consumption of alcohol be stopped ???

Kind regards Cllr, Ann Edgeller Marine Phillips

Dear Staff at Licensing Department, Stafford Borough Council,

We wish to object to the application by Morrisons Daily for the 24 hour premise licence at the above address. We have lived directly opposite the premises for 6 years, although Baswich Lane is a busy through route in the daytime there is little traffic overnight. We feel a licence to open 24 hours is totally unnecessary and an alcohol licence covering that period of time would attract customers from out of the area possibly leading to anti social behaviour with greatly increased traffic levels and noise. We understand the previous owners, Central Coop, held a licence to cover opening hours from early in the morning to 10pm on weekdays and Saturdays with reduced hours of 9am to 4pm on Sundays which seemed acceptable to local residents.

We urge the department to refuse the application and make recommendations to reduce opening times.

Yours sincerely,

Mr John and Mrs Madeline Short

Dear Sirs,

As local residents living opposite the newly-opened Morrisons Daily shop on Farmdown Road we wish to register an objection to the proposed 24 hour alcohol license for these premises.

We believe that the sale of alcohol throughout the night will lead to more noise in the area, both vehicular and from those who are purchasing the alcohol. There is nowhere for purchasers to consume their alcoholic purchases, so they are likely to wander round the area drinking and creating unnecessary noise that will affect local neighbours. This will also inevitably result in significantly more litter in the area as drinkers are not known for putting their empty cans/bottles into bins, but rather just leave them lying around creating an eyesore and a potentially dangerous outcome of children or animals being injured by broken glass.

There could also be an increase in drink driving, as anyone arriving by vehicle to buy alcohol very late at night is likely to be already in drink and/or likely to consume some of their purchase before driving off again.

Yours faithfully,

Richard and Fiona Wilkes

I wish to place an objection to the Morrisons Convenience Shop at No.12 Farmdown Road. Baswich. Stafford. From Obtaining a 24 hour Licence to sell Alcohol. My Wife and I have live here for over 5 yrs and have always been bothered by noise from customers using this shop when it was a CO-OP. This has now been taken over by Morrisons and is already open 24 hrs.

I believe that the requirements to not grant this license are listed below:-

Requirements:-

- the prevention of crime and disorder.

Only a few weeks ago this convenience store was Robbed at knifepoint. Access to Alcohol could increase the likelihood of future Robberies.

- public safety.

The ability to purchase alcohol 24hrs a day may well add to Drink Driving statistics and could cause injury or death.

- the prevention of public nuisance.

The ability to purchase Alcohol 24hrs a day could lead to increased drunken activities outside these premises causing a public nuisance.

- the protection of children from harm.

Yours faithfully

Dear Sir,

I have recently discovered that the new Morrisons Daily store on Farmdown Road is applying to sell alcohol 24hrs a day. It would be the only shop to do so in this residential area.

I am concerned that this could attract potentially noisy customers late into the night. The Co Op that predated Morrisons did sell alcohol but was not open 24hrs a day.

I live within sight, and possibly sound, of the new store and would ask that the sale of alcohol through the night might not be approved.

With thanks

On Tuesday 4th March 2025, I visited the Morrisons Daily shop, Farmdown Lane, Baswich, ST17 OAP, to get some bits and pieces as the store was open.

I arrived at approximately 22:00. I entered the shop and had a browse around the aisles for a few minutes. I chose some food items and then went to the till area at the back left corner of the store as you enter the doors.

Whilst at the till I was I was looking at the alcohol, specifically the wine/spirits, which was directly behind the till areas and the man behind the till started talking to me, I asked him if I could purchase a bottle of alcohol as well as my other purchases to which he said I could. The male was tall, of Indian origin, approximately early to mid-30s and was wearing a name tag although I could not see clearly what the name was.

I then asked for a bottle of whiskey to be added to my purchases to which he then selected the whiskey I asked for and I paid for my items. I asked for a receipt and the male gave me one. This was timed at 22:05. I attach the receipt as PE1.

I exited the shop shortly after this.

On Thursday 6th March 2025, I visited the Morrisons Daily shop, Farmdown Lane, Baswich, ST17 0AP, to investigate whether they were a) open and b) whether they would serve me an alcohol beverage. I am aware that these would potentially be breaches of their current licence if proved true.

I arrived at approximately 22:20 and the shop was open, with the lights on. I entered the shop and had a browse around the aisles for a few minutes. I chose some food items and then went to the alcohol fridge, located near the till area on the back left corner of the store as you enter the doors.

I was looking at the alcohol, specifically the wine, and the man behind the till started talking to me, asking me if I wanted to purchase alcohol. The male was tall, of Indian origin, approximately early to mid-30s and was wearing a name tag with 'Danny' or 'Samy' on; I only had a brief look at this.

I said yes, and he started to explain to me that they were waiting for their licence to pass through from the Council, and no alcohol was to be sold between 10pm and 7am. He said that this would be the case for another month or so. I acknowledged this.

I then went to the till area and paid for my items. I asked for a receipt and the male gave me one. This was timed at 22:25. I attach this as evidence KM1.

I exited the shop shortly after this.

STATEMENT OF WITNESS

(Criminal Procedure Rules, r. 16.2;
Criminal Justice Act 1967, s. 9)

STATEMENT OF Leo Parkes

Age of witness (if over 18, enter "over 18"): Over 18

This statement (consisting of 1 page) **is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.**

On Wednesday 5th March 2025 at approximately 22:30, I visited the Morrisons Daily shop at Farndown Lane, Baswich, ST17 0AP. The purpose of this visit was to see if the store would be open for business after 22:00, and furthermore whether the sale of alcohol would be carried out – both of which would contravene the current licensing conditions.

I entered the store, acknowledged the gentleman behind the counter and browsed the confectionery aisle. I picked up some Kinder chocolate biscuits and then approached the alcohol chiller cabinet to the right of the till area, to browse the wine shelves.

At this point the gentleman behind the till (a young man of Indian origin in his 30's) approached me and asked if I wanted to purchase alcohol. When I said yes, he advised me that he could not sell alcohol after 22:00 until a licence was granted by the Council.

I advised in that case I would come back another day for the wine and that I would just buy the chocolate. I subsequently went to the till area and paid for my item.

I thanked the gentleman and left the store.
