## 1 Introduction

In March 2025, the latest allocation of UK Shared Prosperity Funding (UKSPF) was announced by central Government.

The total amount allocated to Stafford Borough Council for the period April 2025 to March 2026 is £1,528,851. This fund will focus on three investment themes:

- Communities and Place
- Supporting local economy
- People and Skills

## 2 Stafford Borough Sustainability Grant

Through UKSPF, Stafford Borough Council has launched a new fund to support micro, small, and medium sized independent businesses (SMEs) aged 12 months and upwards, based in commercial premises, located within the local authority area of Stafford Borough. £160,000 has been allocated to this funding stream to support energy efficiency projects.

Matched funded grants at an intervention rate of 80% (from SBC) and 20 % from the SME of the total project costs are available. Grants will range from a minimum of £5,000 to a maximum of £30,000 to support businesses to become more sustainable by implementing energy efficiency saving measures.

Eligible businesses will be funded where there is clear evidence of projected energy savings as a direct result of the project.

Where an organisation can access BEAS funding this should be applied for initially. Applications are open until 30 November 2025, subject to funds still being available. Applications will be assessed on a first come first served basis in terms of those who provide all supporting documentation required.

Examples of eligible projects:

- Energy-efficient lighting (LED, controls, sensors)
- Electric Kitchens and equipment
- Heating upgrades (replacement boilers, burners, heat pumps)
- Insulation enhancements
- Recycling and waste management (compactors, balers, crushers)
- Refrigeration improvements

- Ventilation systems (fans, distribution, destratification fans)

**Applicant eligibility:**

- Must be an independent profit seeking business based in commercial premises, within the local authority area of Stafford Borough and have been trading for more than 12 months.
- Must not be controlled by a corporate entity

An independent business can be defined as;

- Privately owned and not a public company (plc)

## Application Process

Each application will be individually assessed by merit and Stafford Borough Council has the right to reject applications that exceed financial conditions imposed as public subsidies.
