

Stafford Repair Cafés **Organized by** **Sustainability Matters**

Repair Cafés offer free repairs for a wide range of household items, from electricals to tools, to clothes to computers, from clocks to toys! Here in Stafford, we have staged 28 events since 2017 and successfully repaired over 750 items. This means that the lifespan of things is

extended, saving people money and helping to cut the amount of stuff being thrown away.

The Repair Café movement is worldwide, with over 2500 running currently.

We provide a warm and sociable atmosphere where customers can stay for a chat over a tea or coffee. Just bring items along for appraisal, advice and (hopefully) restoration to working order.
