Stafford Borough Green Solutions Programme

Reduce your business costs,
whilst reducing your carbon footprint.

POWERED BY

**LEVELLING
— UP —**

Training, energy reviews and grants to help your business reduce its carbon footprint.

Carbon Literacy Training

This 8 hour training course is open to any business based in Stafford Borough and will provide the knowledge and skills to take action to reduce greenhouse gas emissions. Training is accredited by the Carbon Literacy Project and successful participants receive a certificate and the status of being carbon literate.

Energy Efficiency Reviews

Free specialist reviews to provide businesses with actions to increase energy efficiency and reduce energy consumption, as well as predicting annual cost savings and reductions of CO2 emissions.

Grants of up to 60% of project costs

To help businesses implement the recommendations identified in the energy efficiency review. Eligible expenditure could include an upgrade to LED lighting, a replacement boiler or an upgrade to energy efficiency equipment.

Eligibility

- › For businesses with trading premises within Stafford Borough. Tenants of commercial premises must have at least 2 years remaining on their lease.
- › Be registered at Companies House
- › Have been trading for at least 12 months and be economically active.
- › Have used more than 45,000 kWh of energy in the last 12 months. Energy bills will be required to evidence this.
- › Have not received more than £315,000 in public subsidies in the current and previous two financial years.
