Food Safety Business Support

Food Standards Agency (FSA)

The FSA is the national, government organisation responsible for all food related matters. They have an excellent website www.food.gov.uk which provides extensive advice to food businesses on food safety, hygiene, legislation and best practice. You can also obtain information on Safer Food Better Business, which is the written food safety system for caterers and retail premises. Packs and refills can be found on the food standards agency website. Other information available from the FSA includes food standards, recall procedures, trade withdrawals, publications, allergens, labelling and nutrition.

Regional Food Academy, Harper Adams College, Newport Shropshire

www.regionalfoodacademy.org

The Regional Food Academy offer a wide range of support to all sized food businesses, including food quality and safety management, specialist training, shelf-life testing and product development.

Taylor Shannon International

<http://www.taylorshannon.com>

Taylor Shannon offer books to support the implementation of Safer Food Better Business, and practical guides to HACCP and food safety.

CK Food Safety Consultancy

www.ckfoodsafetyconsultancy.org.uk

Chris Kinnersley offers personal coaching to aid the implementation of Safer Food Better Business, along with online data recording for food safety checks on site audits. Contact Chris Kinnersley on 0800 3213207 or chris@ckaudits.com

Paul Bache Consultancy Ltd
