

Stafford Borough Eco-Schools 'Eco-Action Day', July 4th 2017

13 schools and around 135 children enjoyed Eco-Action Day this year. It's one of the highlights of the year for the Stafford Borough Eco-Schools Network, supported by Stafford Borough Council.

This year's workshops included the rip-roaringly funny theatre production by Momo Theatre with 'Buses, Bikes and Going Green'. There was also a workshop entitled 'All About Birds and Mini-Beasts!' which included Nest Box Making, Bird Identification, Investigating Meadows and finding out about Food Chains. Our third workshop was called 'Wet and Willowy!' which involved Willow Weaving, creating willow crafts and Pond Dipping.

Lunchtime activities included creating an Eco-Schools Network Logo Banner and an exciting 'Willow Hoopla Championships!' There was also a litter free, healthy lunch competition.

We had a great team of leaders and organisers from Stafford Borough Council, Staffordshire Wildlife Trust plus help from Mark and his apprentices from Perkins Engines Ltd, Nigel our willow weaver and Philippa Wilson, retired teacher and eco-volunteer. Here are a few pics of the day 😊

Our lovely new Eco-Schools Network banner

At the Bird Feeding Station – and making Nest Boxes

Busy in the Forest School!
