

Seasonal Common Pest Activity

If you live in Stafford Borough, why not consider our Pestport Annual Contract that enables you to protect against pests for a whole year.*

For more information visit www.staffordbc.gov.uk/pest or call 0845 505 7378.

This is a general guide to seasonal common pest activity and may vary according to weather conditions and other variable factors. If you are unsure or require assistance call 0845 505 7378. Please note that charges may apply for advice/identification given by an officer on site.
