Subject: Review Policy E2 re. application of settlement limits and reference to Policy C5

Dear Sean

Review Policy E2 re. application of settlement limits and reference to Policy C5

Following the hearing session on 30 October 2013 the Council propose that the wording of Policy E2 and the introductory sentence be amended to read as follows:

“For those rural areas outside of **the settlements identified in Spatial Principle SP3**, ~~Settlement Limits identified through Strategic Principle SP7~~ and outside the Green Belt ...

In addition, to provide clarification for the reference to Policy C5 the Council propose to amend the wording of criterion x within Policy E2 to read as follows:

“**residential development** ~~in exceptional circumstances, development helping to meet a local housing need in accordance with Policy C5”.~~

Kind regards

Alex
