Dear Sean

### **Consider 4th element of hierarchy – 'rural' / other Borough area**

Council response = In terms of Spatial Principle 3 the Council proposes a further additional modification to add a 4<sup>th</sup> element to the hierarchy, to read "Rest of Borough Area" to be consistent with Spatial Principle 4 and Spatial Principle 5. Spatial Principle 5 to be amended to read "Rest of Borough Area" to replace 'Rest of Rural Area'.

Kind regards

Alex
